

# March Yearbook 2013

Due: Thursday 28th March, 2013

Present in your yearbook folder, either handwritten or typed.

## Task 1: Recount

Your task is to write a letter to your family in Australia as if you are an ANZAC soldier in the trenches during World War 1. You will need to undertake research so that your information is historically correct. Write with empathy and describe events you have seen, emotions you are feeling and your thoughts about the war.

This should be about three-quarters of a page long. (*Some of the internet resources we have been using for the Face to a Name Project will help you!*)

## Task 2: Information Report

Investigate an Australian political party (eg Labor, Liberal, Greens etc). Your report should include the date when the party formed, why and under what circumstances. What are your chosen party's core philosophies/beliefs? What have been some of their significant achievements?

This should be a half to one page long.

## Task 3: Speech—Bag of Tricks

Choose your favourite bag and bring in items (around 5) that show us about you. You will be using the bag and your items to share your ideas, interests, likes, etc with the class. The talk should go for about 2 minutes. No palm cards are necessary.
