

# UNLOAD

## Creative Writing Workshops

### Expression of Interest

4/5/15

Dear Parents and Caregivers,

In Term 3 we have an exciting opportunity for students in years 3-6 to participate in a creative writing programme with a difference.

Unload is a creative-play based writing and language programme that involves 10x 1 hour workshops before or after school during the term. Students will have the opportunity to work with a local author, illustrator or storyteller. At the end of the term students also receive a 'brag' book containing a selection of their written work.

The cost of the programme is \$15 per workshop per student (total \$150).

For more information, see the attached handout or visit the Unload website at [www.unload.org.au/](http://www.unload.org.au/). Please return your expression of interest by the end of Week 4, as places are limited.
